#### **How This Bond Expands Educational Opportunities for Students**

Each week, we will take a deeper look at one aspect of the proposed bond.

##### **This week's focus: Expanded Educational Opportunities for Students**

Providing students with access to modern, relevant learning experiences is essential to preparing them for success after graduation.

##### **This week's focus: Enhanced Educational Opportunities**

##### **Key Opportunities Include:**

- **Add a dedicated 7th- and 8th-grade academic wing at the high school** to provide middle school students with grade-appropriate classrooms and curriculum opportunities.
- **Expand Career & Technical Education (CTE) spaces at the high school** to support additional CTE programming and student learning opportunities.

- **Providing middle school students opportunities to explore interests in the trades** through increased lab space.
- **Renovating art spaces** to provide students with improved learning environments and expanded opportunities in the visual arts.
- **Update science classrooms for grades 7–12** to support hands-on science instruction and lab-based learning.
- **Add a flexible physical education classroom/gymnasium** to accommodate the addition of middle school students at the high school and support physical education programming, as well as, student activities facilitation/space.
